

Phase I 40th Anniversary Version

UNIQUE, POWERFUL, AMTRAK

Phase II 40th Anniversary Version

Now available - Kato's newest additions to the Amtrak 40th Anniversary lineup of HO GE P42 locomotives are some of Kato's most powerful, smoothest running, and quietest (when sound isn't installed!) operating locomotives **ever made!**

Enjoy operating these prototypical special paint locomotives solo or pulling any number of Kato's HO Superliner or new upcoming HO Amtrak Baggage cars! They're available with or without DCC and Sound and are sure to be the centerpiece of any modern passenger layout!
