

Phase III Amtrak for Every Occasion

Newly restocked for 2018! Kato USA re-releases the EMD F40PH locomotive in its classic 80's pre-ditch light appearance! And now, for the first time, Kato USA is offering this engine with ready-to-run DCC direct from Kato USA!

Operate these engines with any of the multitudes of available Phase III equipment, including the brand new Phase III Amtrak Autoracks, which are perfectly suited to being paired with Kato's Phase III Superliners and Step-Down Coach equipment!

For modelers looking to represent single level trains, Amfleet car sets are also available - providing classic Amtrak equipment for every occasion!
