

Chicago Bi-Levels New HO Rolling Stock for 2019!

Essential Commuter Equipment - Classic and Modern

Kato's HO Bi-Level cars embody all the classic features of Chicago's Commuter history! Available now with new releases of the classic Chicago & North Western paint scheme as well as of the current day Chicago Metra scheme, these HO Bi-Levels are a must-have for Chicago area modelers of any era!

Kato's HO Bi-Level cars are full detailed inside-and-out, and feature directional lighting in cab coaches as well as optional interior lighting in all interiors! Get yours today at your local hobby shop!

Kato's HO Chicago & North Western Bi-Levels come in three different varieties - 4-Window, 6-Window (seen above), and the 4-Window Cab-Coach used for operating trains in Push-Pull configuration.

This 2019 Re-release is the first time these cars have been available since their initial run in 2005. Like that original run, optional decal sets are available for renumbering the cars. Of course, the cars come pre-numbered out of the box!
