

Virginia Railway Express Gallery Bi-Level Commuter Train

Capital Commuter Equipment for all! Following the previous release of the Chicago Metra MP36PH equipment, Kato USA adds our nation's capital's own Virginia Railway Express to its commuter line! The VRE offers commuter services from the Northern virginia suburbs to Alexandria, Crystal City, and downtown Washington D.C., offering easy and reliable commuter transportation that goes straight to D.C.'s Union Station for transition to Amtrak, MARC, or Metro lines.

N scale MPI MP36PH

- DCC friendly mechanism
- Directional head and ditch lights for push-pull operation
- Specially tooled to accurately match VRE prototype details, such as the secondary generator fans

N Nippon-Sharyo Gallery Bi-Level

- Fully modeled and detailed interiors can be easily lit with LED interior lighting
- VRE-accurate tooling
- Cab-coach has directional lighting for Push-pull operation
