

# MORE POWER FOR YOUR AMTRAK® FLEET!

## GE P42 "GENESIS" LOCOMOTIVE - NEW ROAD NUMBERS

Kato USA is proud to announce a new run of its revolutionary HO GE P42 "Genesis" locomotive model in Amtrak's current "wave" Phase Vb paint scheme! This new locomotive run is perfectly suited to supplement your existing fleet of Superliners, and is likewise a perfect jumping-off point for starting a new collection of Modern Amtrak equipment!

In addition to these new P42 locomotives, Kato has a full assortment of HO Superliner I passenger cars in Amtrak's most current phase paint, with rotating bearing caps, fully detailed interiors, and easy upgrade for interior and end-of-train lighting!

Visit your local hobby shop or go online to order the latest officially licensed Amtrak equipment from Kato today - all items are in stores and available now!

You can supplement your scenery with items such as the 31-651 North American Suburban platform kit! Designed to work with either N or HO scale and easy to assemble, this versatile set of concrete platforms can be used on both tabletop and on permanent layouts to give your Amtrak passengers a place to board and disembark your train!

Available NOW through your local hobby shop!
