

# Enrich your Commuter Experience!

**The Kato EMD F40PH has been reborn!** Retooled and refitted (just like the real locomotives were) to equip cab air conditioners and illuminated ditch lights, the N Scale EMD F40PH is now available in Virginia Railway Express, Caltrain, and Metrolink commuter schemes (seen above)!

**To accompany this new commuter locomotive release,** Kato USA is releasing new bookcase style Nippon-Sharyo Bi-Level car sets, which can be combined with available individual cars or locomotives to allow modelers to build and store their own Metra and Virginia Railway Express commuter sets!
