## GE ES44AC "GEVO" 2nd Release

Union Pacific

CSX

Canadian Pacific

BNSF

New for 2014 - Kato re-introduces GE's most current 4th Generation diesel with a brand-new run of "GEVO" locomotives, including the never-before-produced-by-Kato Canadian National variation! These locomotives have been enhanced with additional printing details from their previous releases and have the same reliable, Kato precision drivetrain that has powered previous locomotives such as the AC4400CW, SD70MAC, and C44-9W!
