

November, 2023

Kato USA is looking for someone creative to join the team as a seasonal part time worker!

We are currently looking to hire someone to help DCC installation as a seasonal worker (Part time, No benefits). This is an in-office position and applicants will need to commute to 100 Remington Road, Schaumburg IL 60173

Responsibilities and Duties:

- Installation of DCC decoders to locomotives.
- Paid by piece completed.
- Benefits are not included.

Qualifications:

- Electrical work experience is a great asset.
- Strong verbal and written communication skills.
- Ability to work within a team environment.
- You must live in the Chicagoland area.

If you think our team sounds like one you could be a part of, then we'd love to hear from you!

Please submit your application to jobs@katousa.com or by mail to
